Quarterly partner report

Moorfold · 22 November 2026

> This is the format partners receive every quarter. Fields in brackets are filled with measured numbers; nothing is estimated in a report.

1. Summary

[Three sentences: what changed this quarter, the main result, the main problem and what we did about it.]

2. Production

Measure	Value	Notes
Long videos published	[n]	[change vs last quarter]
Shorts published	[n]	
Channels live	[n]	[new this quarter]
Films stopped by quality gates	[n] ([%])	[top three reasons]
Films rejected at human review	[n]	[reasons, by standard item]

3. Your product in our pipeline

Measure	Value	Notes
Usage	[hours / tokens / frames / GB]	[vs plan]
Cost per finished minute	[$]	[with and without your product]
Speed	[render or generation time]	
Failure and retry rate	[%]	[reproducible cases attached]

Measure	Value	Notes
Quality effect	[pass rate change]	[which standard items improved]

4. Audience (after launch)

Measure	Value	Notes
Views	[n]	
Watch time	[hours]	
Subscribers	[n]	
Average view duration	[mm:ss]	

5. Feedback for you

- [Bugs with reproduction steps]
- [Feature requests from real use]
- [What worked well]

6. Credit given

[Where your product was credited: video descriptions, case study, posts.]

7. Next quarter

[Planned volume and what we will test.]
